Re: Reference for Cristiano and Son Painting & Construction Inc.

Dear Sir or Madam:

Naek Construction Company, Inc. has contracted with Cristiano and Son Painting & Construction Inc., on numerous projects during the past seven (7) years.

In every case, the work was awarded to Cristiano and Sons Painting and Construction Inc., under a competitive bid contract. The workmanship has been of the highest quality. The performance, organization, and effort onsite has always been far above average. The daily work operations, along with the estimating and office management, were performed in a timely and efficient manner.

Naek Construction Company, Inc. is pleased to recommend Cristiano and Son Painting and Construction, Inc., for painting and construction needs.

If I can be of any further assistance, please contact me.

Very truly yours,

John Layman  
Project Manager
